

e) Participation in Sports: Our institute understands profound impact of sports participation on personal development within our college community. we recognize that education goes beyond textbooks and lectures. Engaging in sports at the college level plays a pivotal role in shaping well-rounded individuals. Through sports our students develop crucial attributes such as teamwork, discipline, leadership, resilience, and effective time management skills that are vital not only in academics but also in all facets of life developing their personality.

Both the genders actively participate with team in sports activities of the institution
